It is with great honor and enthusiasm that we welcome you to the Annual Winter Battle (Cricket Funday). This milestone marks another year of bringing together our community members, families, sponsors, and friends in the spirit of sport, camaraderie, and shared joy.

We extend our deepest appreciation to the Executive Committee and the dedicated members whose unwavering commitment continues to be the backbone of CSRHK. Your passion and effort ensure our events are not only successful, but also memorable.

Our heartfelt thanks also go to our generous sponsors and supporters. Your belief in our mission and your continued contributions empower us to grow and inspire.

Cricket, like all team sports, teaches us the values of collaboration, trust, and resilience. It builds bridges and strengthens bonds. We especially encourage the younger generation of Sri Lankans in Hong Kong to join us to play, to connect, and to help shape our vibrant community.

Congratulations to TEAM CSRHK on another year of achievements. Together, we celebrate past successes and look forward to a future filled with even greater accomplishments.

Thank you for being a part of our journey.

Welcome to a New Season at CSRHK!

As we embark on an exciting new season at CSRHK, we are thrilled to welcome a wave of enthusiasm and fresh perspectives with our new leaders and members. With the spirit of cricket igniting passion and teamwork, this season promises to be one of growth, camaraderie, and shared achievements.

A Fresh Start

With new leaders at the helm, we are poised to navigate the upcoming season with innovation and strategy. Their vision reflects the core values of our club: sportsmanship, respect, and a love for the game. Together, we are committed to building a strong sense of community, where every member can contribute and thrive.

Full of Hope and Determination

As we step onto the field, we are filled with hope and determination. Our goals for this season are ambitious, yet achievable. We look forward to participating in local leagues, hosting friendly matches, and developing our talent through training sessions and workshops.

Let's unite our strengths and work together to make this season unforgettable!

Cricket is a game of the mind and no one can win it with only physical strength.

We should not allow fear or anxiety to stop us from doing something. If you think through something well and prepare thoroughly, you can do a lot of things you think you can't

You can only play your best cricket when you have self-belief.

You have to maintain that cricket is a team game and to win, you need to play together

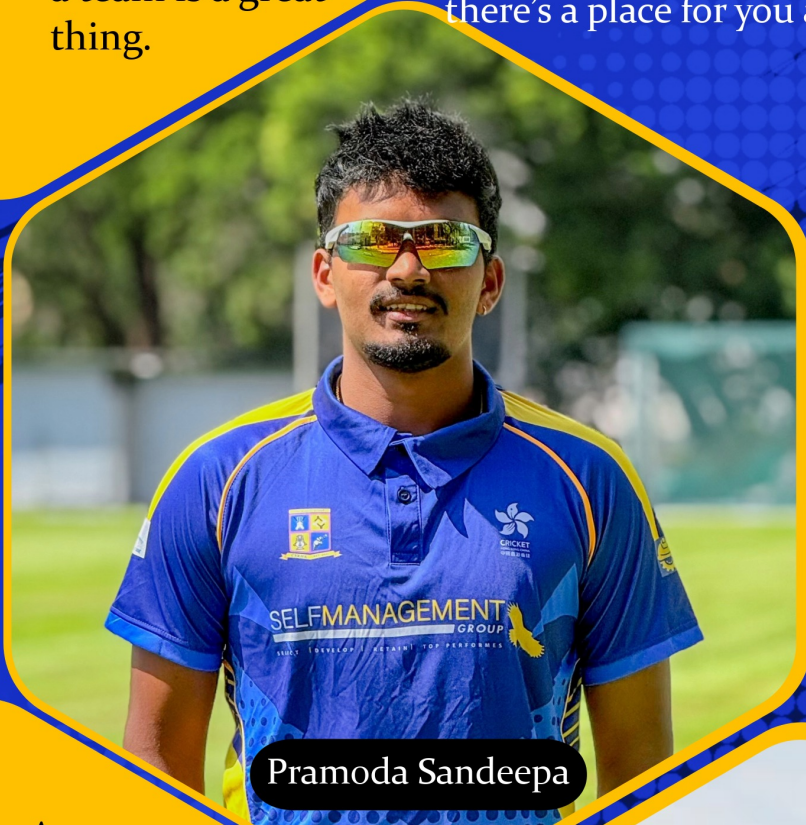

you have to put the team first and the individual second

Cricket is a great team effort. The team is important which always plays to win. Being together on the field, operating as a team is a great thing.

Welcoming New Members

Our ranks have also expanded with the addition of new members, each bringing unique skills and experiences to the pitch. We embrace diversity in our team, fostering an inclusive environment where everyone feels at home. Whether you are a seasoned player or just picking up a bat for the first time, there's a place for you at CSRHK.

Kamal Sirinandana

As a new member of CSRHK, I perceive the club as more than just a cricket team; it embodies a sense of family. The environment fosters unity, discipline, and camaraderie, all essential elements in promoting personal and collective growth.

CSRHK's Commitment: Contributing Through Blood Donation

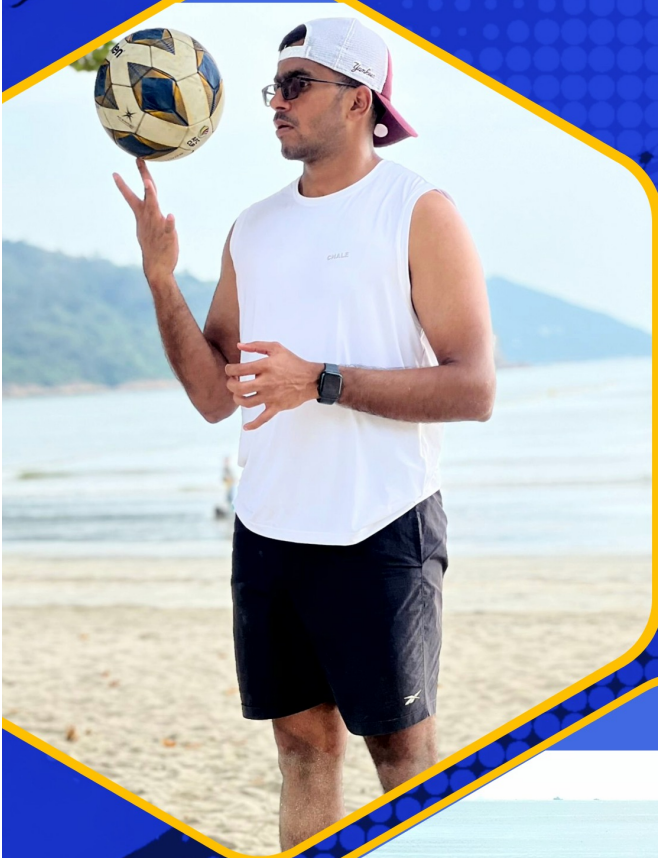

As a team, CSRHK participated in a blood donation camp organized by the Hong Kong Red Cross, in collaboration with the Sri Lankan Buddhist Cultural Center. We extend our heartfelt thanks to all team members who took part, as well as to both organizations for their diligent efforts in organizing this meaningful event.

Building Bonds: Strengthening Team Unity at Pui O Beach

We recently gathered at the beautiful Mui Wo Beach for an unforgettable team-building event. Surrounded by the soothing sounds of the ocean and the warm sun, we engaged in a variety of activities designed to strengthen our bonds, enhance collaboration, and foster a spirit of camaraderie. Through team challenges and fun games, we created lasting memories and deepened our connections.

Alone we can do
so little;
together we can
do so much.
